# Acknowledgements

I would like to thank all of the people that have helped me get to where I am. My parents, first and foremost, for supporting and loving me throughout my life. To Paul, for inspiring and teaching me throughout my time at Loyola. To Nadja, for always pushing me to be the best musician I could be. To Noah, Marco, and Dutch for helping me bring one of my favorite Goon Cocoon tunes to life. To Jesse, for playing here along with me today. To my closest friends, most of which are here today, for making so many memories that I will keep for years to come. To the rest of the Loyola faculty and staff that have guided me along my four years here. To you, reader, for coming to watch in person today or watching the stream online.
